Raiderettes 11 - 0

The Raiderettes, after a 51-37 victory over the Gretna Hens, stand with a perfect record of 11-0.

The Hens played a good first quarter and only trailed the Raiderettes by one point with a 7-6 score.

The second quarter was the turning point of the game as the halftime score showed the Raiderettes 23 and the Hens 12.

Maryjane Smith lead the Raiderette in scoring with 17 points and Jan Stanley with 13 points. The Hens had one girl in double figures, Andy Byrd with 12.

If you have always thought that those 50 foul line shots at practice each day were nonsense, well you were wrong. The Raiderettes actually beat the Hens at the foul line with 65% to 45%.

Maryjane Smith was 5 out of 7 at the foul line and Carolyn Jean Smith was 5 for 6.

The Raiderettes were 29% from the court with the hens close having 28%.

I can assure you the Raiderettes are glad they had foul line practice as they won 51-37 over the Hens.

Raiderettes Pluck Eaglettes 42-22

The Raiderettes, led by Maryjane Smith, who zipped 16 points, and Connice Murry, who dropped 16 points, took and early lead and at halftime had a margin of 28-6 on the Eaglettes.

The Eaglettes didn't have anyone in double figure, but Burnette took high scorer with 8 points.

The Raiderettes played all their players by the end of the game which shows the Raiderettes play as a team whether on the bench or on the court. The Raiderette shot 36% from the foul line to 40% of the Eaglettes.

Tanglewood Farm Simmentals Set Virginia Record

Two Simmental bulls owned by W. H. White, III, Tanglewood Farm, Crozet, Va. have set a Virginia performance record. The two bulls performance tested at the Red House Bull Evaluation Center gained 4.07 and 4.00 lbs. per day on 140 day feed test, which makes them the first bulls to gain 4 lbs. or better per day in the 18 year history of performance testing conducted by the Virginia Beef Cattle Improvement Association. The two record setting bulls are both ¾ blood Simmental and are among some of the first of the Simmental breed to be tested in Virginia.

The Virginia Beef Cattle Improvement Association has successfully operated central station bull testing programs for 18 years as a service to its members and the beef industry. The testing is under the direction and supervision of the Virginia Beef Cattle Improvement Association and V.P.I. The two basic objectives are to test the top end of the bull calf crop under standard conditions for the purebred breeders benefit and to offer for sale the top end of the tested bulls for the improvement of other herds. These two record setting bulls, along with Angus, Hereford and Charolais bulls will be sold at public auction on Saturday, January 31, at the annual Va. B.C.I.A. performance tested bull sale at the Red House Bull Evaluation Center near Red House, Virginia.

Eagles Win By 1

Staunton River, led by Lorenzo Martin who had 9 points, 5 assists and eight rebounds, was the key man for the Eagles as they nipped the Raiders 56-55.

Enoch Robinson and David Kelso took scoring honors for the Raiders with 16 points each.

Marshall Johnson was high man for the Eagles with 18 points and 14 rebounds. Dennis Jones added his 10 points to give the Eagles a close win over the Raiders 56-55.

Hawk 3rd Period Rally

The Raiders, after a well played first half, yielded to a Hawk third period rally and gave up a 65-74 victory to Gretna.

The Hawks' key men were Mike Lack, who made 23 markers, and Milton Plunkett, who shot 14 points.

At halftime the Hawks trailed the Raiders 35-32.

Enoch Robinson, for the Raiders, had a good night and led the Raiders scoring attack with 23 points. The Raiders also received 14 points from Kelso to put two men in double figures for Appomattox.

From the floor the Hawks led percentage wise with 53% to the Raiders 48%.

All in all the Raiders played a strong game but failed to withstand a Hawk outburst which resulted in a Hawk 65-74 win.

8th Grade Basketball

The 8th Grade Basketball Team, under Coach Larry Carter, stands with five wins and no loses.

Their first victory was 41-28 over Holy Cross. Larry Kelso was high scorer for Appomattox with 17.

The team then travelled to Staunton River to take a victory of 42-11.

The 8th Graders, having two wins under their wing, meet Jefferson-Forest to defeat them 46-34.

The team returned to their home court and blazed Staunton River 55-31.

The 8th Grade of Appomattox had four straight victories and then travelled to Gretna to capture a close 42-39 victory. The five starters for the team are Larry Kelso, William Hamlette, Terry Woods, Byron Roach and Phil Paulette.

They stand with a perfect record and are out to win the rest to end their season as No. 1.

Woman's Adult Basketball

The Women's Adult Basketball League held its final championship game Monday night. The championship game between the first place Raiderats and second place Roadrunners was played first with the Raiderats coming out on top 46-28. Scoring was as follows: RaiderRats: Amy Nash 2, Becky Shorter 18, Debbie Conner, 22, Beth Carter (substitute) 2, and Pat Ferguson (substitute) 2. Roadrunners: Trish Conner 12, Tessy Perrow 6, and Brenda Goin 10.

In the second game the third place Bullets took on the fourth place Knicks. The Bullets were victorious with a score of 30-25. Scoring as follows Knicks: Donna Smith 2, Pat Ferguson, 22, and Vicki Canada 2. Bullets: Beth Carter, 6, Joyce Tolley 12, Becky Henderson 6, and Tody Murray 6.

This finished the first session for the Woman's Adult Basketball and all the participants would like to take this time to extend a sincere thanks to Miss Mary Libby Tolley for her time and a job well done.

Appomattox County Youth Association Schedule Organization Meeting

The Appomattox County Youth Association will have an organization meeting February 10 at 7:30 p.m. at the Appomattox Middle School gym. Officers will be elected. All interested persons should be present. Much help is needed this year to make our organization a success. Any person, club, or organization who would like to make a donation please contact Fred Weakly, June Chenault, Jimmy Mayberry or anyone in the youth program.

Your roots.

Take stock in America. Buy U.S. Savings Bonds.

PICTURES FROM THE PAST - The picture shown above was taken in 1903, the little boy "whittling on a stick" was only six years old at the time. A native of Appomattox County, he grew up to become a business leader in Appomattox and a politician. Can you identify the person in the picture from the past?

Metric System Approved For USA - May Motivate World Trade

"International trade may be motivated in years ahead as a result of Congressional approval of the Metric Conversion Act," James R. Foyd, Jr., Chairman of the Appomattox County Agricultural Stabilization and Conservation Committee said.

"More and more overseas customers are resisting U.S. products from industries that package food and other products designed and marked in the unfamiliar English system of weights and measures," Mr. Ford said.

"Over 90% of the world's population uses the metric system. World trade experts have said that if this nation adopted the system it would ease U.S. trade barriers and benefit the country," he noted.

The Metric Conversion Act was signed by the President on Dec. 23, 1975. The legislation provides for the President to appoint a 17-member board to coordinate voluntary changeover and devise public education programs. Among the conversions it will be yards, gallons and ounces becoming meters, liters and grams, in units of 10's, 100's and 1000's.

Mr. Ford said that before passage of the December 1975 legislation, the United States was the major nation which had not made a national commitment to the metric system. However, the system has been legal here since 1866. Some 11% of American manufacturers employ metric measurement to some degree, and its use has been increased in recent years by firms dealing in overseas trade.

"Some of our best customers for agricultural products -- Japan, Great Britian and British commonwealth nations -- made the shift to metrics in recent years," the Chairman said.

By adopting the same system for domestic measurement as is used for foreign measurement, costs to producers and consumers will probably be reduced, Mr. Ford said. In making the new engineering drawings, for example, manufacturers of large farm machinery can discontinue use of the double effort involving metrics for overseas customers and English measure for domestic customers. This will save time and costs in terms of man-hours, productivity and efficiency. Standardization also will cut costs connected with reducing the number of sizes and varieties of thousands of products.

Sunday visitors of Mrs. Eva Jones were Mr. and Mrs. Harold Beasley, Mr. and Mrs. Larry Jones, Mrs. Ethel Painter and Mr. and Mrs. Hunter Nash.

Mr. Pete Banton visited in the neighborhood on Sunday.

Mr. and Mrs. George Nash and family; Mr. and Mrs. Loyd Nash and baby; Mr. Lynwood Hardy visited in the home of Mr. and Mrs. Elliott Nash over the week end.

By Verna Conner

Today, we shall let the Revolution rest for awhile and go back to Colonial times.

The book entitled, **To Have and to Hold** by Mary Johnston was at one time on the required reading list for high school students. Quoting from the foreword, "The hero is Ralph Percy, seasoned, audacious, witty, and utterly courageous, a gentleman adventurer, well acquainted with the battlefields of Europe. The heroine is Lady Jocelyn Leigh, escaped by means of disguise in a shipload of lowly maidens traveling to America as wives-to-be of woodland settlers. She is fleeing from marriage to the evil Lord Carnal, favorite of the king and utterly worthless. Beautiful and spirited, she is enrolled in our minds with Helen of Troy."

Mary Johnston, the author, was born in Buchanan, Botetourt County, Virginia in 1870 and lived in Warm Springs, Virginia in a home called Three Hills. In writing historical novels such as this, one must complete knowledge of the history of the period and this is the field in which Miss Johnston had her greatest success. Her first book called **Prisoners of Hope** was published while she was living in New York and it is said that she wrote much of it while sitting in a quiet corner of Central Park. **To Have and to Hold** was the best seller of the eyar and is the best known and best loved of all her novels. In dealing with the history of Virginia she wrote the following books: **Audrey; Croican; Sir Mortimer; Lewis Rand** and **The Great Valley**. Two other books concern themselves with the Civil War. They are **The Long Roll** and **Cease Firing.**

You will enjoy all these books but if it has been ten years since you read **To Have and to Hold** (as it was in my case) be sure to read it again. So much of it I had forgotten and it was just as interesting as it was the first time.

Incidentally, I picked up a paperback mystery at the library last week and it said, "Agatha Christie fans will love this one". Don't believe it. It was fair but not nearly as good as her books. It should be illegal to say things like that and the younger generation should know that Miss Christie did not specialize in sex. She was what a lot of us think of as a "clean" writer. This can not be emphasized enough. If you are a reader of mystery books, choose the good ones, and let the trash alone and by all means do not give books to the library which you would not want your daughter or son to read. The librarian does not have time to review all the books so it is up to the public to tell her if you dislike a certain one. She will appreciate it.

BOY SCOUTS ANNOUNCE FINANCE DRIVE

Watkins Abbitt, left, and Ivey Holland, second from left, have agreed to serve as co-chairmen for the 1976 Scout Sustaining Membership campaign in Appomattox County. They are shown above with Tom Morgan, Central District Executive, Boy Scouts of America (right); and John Doyle (second from right), Trust Department, Fidelity Naitonal Bank, Lynchburg, who is serving as Central District Finance Chairman.

Plans are bieng made to kick-off the campaign with a special dinner in February and then conduct a community drive in March. In cooperation with Mrs. Sadie Brightwell, the Pamplin Campaign chairman, Mr. Abbitt and Mr. Holland plan to raise $2,500 throughout the county. This goal represents Appomattox County's fair share of the Blue Ridge Mountains Council 1976 operating budget. Currently, there are two Cub Packs and two Scout Troops in the county. During 1975, approximately 150 boys participated in the local scouting program.

Parents Invited To Discussion On Student Registration

Parents of students in the present 8, 9, 10, and 11 grades in Appomattox County Schools are invited to participate in a discussion pertaining to course offerings for the 1976-77 school session as scheduled below.

Mon., Feb. 2 - 9-10 a.m.-Gym , AMS

Tues., Feb. 3 - 10 - 10:50 a.m.; 11 - 11:45 a.m. & 1:15-2:10 p.m. - Auditorium, ACHS

Thurs., Feb. 5 - 8 p.m. Auditorium, ACHS

The purpose of these meetings is to familiarize parents and students with the course offerings that will be available for the school year 1976-77. Also registration procedures will be explained. Personnel from the schools and the school board staff will be present for the discussion and answer questions relating to the subject areas. It is hoped that every parent will plan to attend one of the discussion meetings that has been planned.

Registration for courses by students for the next school year is to begin Mon., Feb. 2, and end on Fri., Feb. 13. Guidance counselors in the Appomattox Middle School and Appomattox County High School will then through personal and group sessions aid students in their course selections for their high school years. "It is very important that parents be familiar with the many course offerings that are available, and be in a position to help their children in the selection", explained Mr. Lloyd Walton, superintendent of schools. Final registration is to be completed by April 1, and further changes in courses will not be made unless it has been determined that there are unusual circumstances. The choices of subjects will be used to schedule classes and to determine staff needs for the 1976-77 school year.

Steady Growth In '75 Reported by American Federal

"I am pleased to report another year of strong, steady growth for your association", Jack T. Cosby, president of American Federal Savings & Loan Association, told members and directors at the annual meeting Wednesday, Jan. 21 at the main office at 615 Church Street.

"Our 50th year of service produced a savings inflow of approximately $11,000,000.00. At the same time we were able to add nearly $4,500,000.00 in interest payments to our savers' accounts - the largest amount in the history of the association".

"An upturn, however spotty, in the number of housing starts and a parallel increase in the purchase of existing homes reflected itself in expanded loan activity", Cosby continued.

"Total assets of approximately $87,000,000.00 climaxed our growth picture for 1975, with all seven or our offices sharing in the gain".

"Perhaps the most important event", Cosby emphasized, "was the change in our corporate title to American Federal". Prompted by expansion into new, socially and economically independent areas, we felt fortunate to have been granted approval to use "American" in a year of the Bi-Centennial".

I feel certain, Cosby concluded, "That based upon the solid foundation of the efforts of our directors, officers and staff and above all, the loyalty of our customers, we cannot but help making 1976 an even better year.

Beta Sigma Phi Notes

The Delta Zeta and Xi Gamma Tau Chapters of Beta Sigma Phi will jointly sponsor their annual Valentine Ball Friday, February 13 at the Avalon Club in Appomattox.

The theme this year will be "To America With Love". The color scheme will be red, white and blue.

The Classic V will provide music for the occasion and the sorority will again offer a buffet which will be included in the price of the ticket.

Tickets will be sold by members of the Chapters and they will be contacting guests this week. The tickets, sold by invitation only, will be $10.00 per couple. Setups will be extra this year for the first time.

This annual event has always been the highlight of the year's activities. Both chapters will be voting secretly for their chapter queens and the winners will be revealed during the evening and crowned by the past queen of their chapters.

Mistress of Ceremonies for the evening will be Mrs. Jeanne Stanley, Member at Large, Beta Sigma Phi.

EDITOR'S NOTE: Following are representative questions answered daily by VA counselors. Full information is available at any VA office.

Q- As long as the Post Office notifies the VA of my change of address, why od I have to?

A- You are responsible for notifying the VA of any change in address or your cash benefits will be suspended. The Post Office does not notify the V A of address change. You must notify the VA just as you would friends and relatives.

Q- What are the Vietnam war dates, for purposes of veterans' benefits?

A-Inclusive dates for the Vietnam era are Aug. 5,1964 through May 7,1975.

Q- Which of VA insurance plans pay dividends?

A- U. S. Government Life Insurance ("K" policies); National Service Life Insurance ("V" policies); and Veterans Special Life Insurance ("RS-W policies).

Q- May A GI loan be paid off before the final payment date?

A- Yes. A VA guaranteed loan may be partially or fully paid at any time. However, part payments may not be less than one monthly payment or $100, whichever is less.

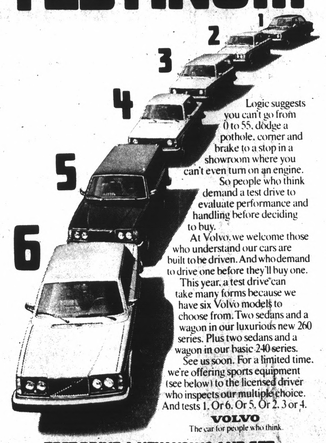
TESTING...



Logic suggests you can't go from 0 to 55, dodge a pothole, corner and brake to a stop in a showroom where you can't even turn on an engine.

So people who think demand a test drive to evaluate performance and handling before deciding to buy.

At Volvo, we welcome those who understand our cars are built to be driven. And who demand to drive one before they'll buy one.

This year, a test drive can take many forms because we have six Volvo models to choose from. Two sedans and a wagon in our luxurious new 260 series. Plus two sedans and a wagon in our basic 240 series.

See us soon. For a limited time, we're offering sports equipment (see below) to the licensed driver who inspects our multiple choice. And tests 1, Or 6. Or 5. Or 2. 3 or 4.

VOLVO
The car for people who think.
